

## Panduit® Double Clamp Cable Ties

### Extra Heavy Cross Section

The Panduit® Double Clamp cable ties provide a cost effective way to secure and separate parallel hoses, tubing, wires and wiring bundles in an easy to install one-piece design. The Double Clamp cable tie has a strong 150 lbs. loop tensile strength to provide secure support for even high load applications. This new cable tie is ideal for heavy duty applications such as Truck and Heavy Equipment.

Key Features	Benefits
<b>One-Piece Design</b>	Cost effective, easy to install one-piece design
<b>Easy to Install</b>	Flexible cable tie body provides easier insertion and installation than other extra heavy cross section cable ties
<b>Releasable</b>	Releasable locking tab allows for tie to be released and reused where changes are anticipated
<b>Mounting Hole</b>	The double clamp includes a center mounting hole for fixed attachment where needed
<b>Versatile Material</b>	New Nylon 6/6 material is Heat stabilized (115°C), UV weather resistant, and impact modified

**The Panduit® Double Clamp cable tie is ideally suited for heavy duty applications, including:**

Heavy Truck

Specialty Trucks,  
such as Dump Trucks,  
Garbage Trucks,  
Concrete Trucks,  
Utility Trucks

Bus

Agricultural  
Equipment

Construction  
Equipment

# Panduit® Double Clamp Cable Ties

## Ordering information

**Materials:** Nylon 6/6, Heat stabilized (continuous use temperature rating of 115°C), UV weather resistant and impact modified
