

Figure 1: Dimensions of the test specimen. The diagram shows a cross-section of a specimen with a central hole. Dimensions are given in inches and millimeters. The total height is A. The distance from the top edge to the top of the hole is 0.59 (15.0). The distance from the bottom of the hole to the bottom edge is 0.59 (15.0). The distance from the top edge to the bottom of the hole is B. The distance from the bottom of the hole to the bottom edge is C. The distance from the bottom of the hole to the bottom edge is REF. The distance from the bottom of the hole to the bottom edge is 0.63 (16.0). The label 'TEAR-TAB, TYP.' points to the top edge of the specimen.
